Placement President's Message

It gives me immense pleasure to convey that our Final Placement Process has been successfully completed for the academic year 2022-2023. Once again this successful endeavour is a reflection of the academic rigor at the institute along with the outstanding aptitude and quality of the students. It goes a long way to prove the trust and the confidence that the companies bestows on the institute and the students of Seven Hills College of Pharmacy. The process has been facilitated by the availability of a diverse pool of students for the variety of profiles offered by the companies across different domains. Transparency in the entire process made it possible that the students and recruiting companies had the opportunity to meet the mutual aspirations and expectations.

We would like to thank all stakeholders involved as without their unconditional support and help, this process would not have been completed effectively. Our heartfelt gratitude to all the recruiters who exhibited immense faith in the skills and aptitude of the students of Seven Hills College of Pharmacy (Autonomous). We would also like to express our thanks to our fellow faculty members, students and the illustrious alumni who have been a great source of support and encouragement in the smooth conduct of the placement process.
